Explanatory note

Europass Mobility is a standard European document, which records details the contents and the results - in terms of skills and competences or of academic achievements - of a period that a person of whatever age, educational level and occupational status has spent in another European country (UE/EFTA/EEA and candidate countries) for learning purposes.

The Europass Mobility was established by the decision of the European Parliament and of the Council of 00 Aaaa 2004 on a single framework for the transparency of qualifications and competences (Europass) - 2004/xxx/EC.

For more information on Europass, including on the Europass curriculum vitae and the Europass language Passport: <http://europass.cedefop.europa.eu>
